TUESDAY, FEBRUARY 26, 1878. PASSAGE OF THE SILVER BILL.

16th inst, by a vote of 48 to 21, the Silver Bill. The West and South voted together on the measure, Senators, Butler and Lamar, from the South, and Christianev and Senate added will be agreed to by the House, and the President will doubtless sign it. If not, it will be passed over his veto. The silver marks of Mr. Johnson, and in favor so we are to have exactly the old dollar of our fathers. It is claimed that this measure will banish gold and greenbacks. Very good If it makes silver plenty, we shall agree to let gold and greenbacks go. So far from silver being bulky and unhandy, we shall regard it spear in her left hand, and holding a patrician family. He was in favor cases of Cough, Cold, &c. It only sword in her right, her left foot on with Pope Gregory XVI., in whose Gold has been a commodity and a man prostrate, a crown from his prelate and private referendary and head, a broken chain in his left hand who employed him as a delegate. first been banished from general usage since the war, and greenbacks the group the word "Virginia," with Penegia, where he did good word in have been so scarce as to make This was the grand and eloquent coatproperty slmost worthless. We are agreed to take our chances on when birth was given to the free and this new silver bill. Matters can be no worse, and we shall be bethide. This is national Readjust- Mr. President, look on this picture. ment. Now if the Virginia Senate will do as well on the Barbour lost ; the foot of the Tyrant-the Bill, we shall have State Readjust-

Pecci was subsequently sent as nuncio to Brussels ; created Archbishop of Perugia,

and was one of the candidates for of the purple when he died in 1846 .-Pecci remained, however, a Cardinal in petto in spite of the good offices of predecessor. Seven years elapsed beto do justice to the candidate of Gregory's choice, and this delay was owing to the ill-will of Antonelli, who dreaded the influence of an able man over the Pope's mind. At last, on the 19th of December, 1853, Pecci received left in the cold at his See of Perugia, the Cardinal Secretary of State standing in the way of any preferment which might bring a dreaded rival too near the Vatican. In 1874, we are told, upon the death of Cardinal Barnaba Prefect of the Propaganda, and English prelate suggested Pecci to the Pope as a man competent to fill the vacant place. "Pecci," pleaded the Englishmen, "is so lea ned a man so good a Bishop." "Just so," broke in the Pope, "An excellent Bishop, and we will leave him to take care of his diocese." More recently an opening occurred upon the office of Prodoteria becoming vacant by the death of Cardinal Vannical Casoni, Peeci relied on his appointment, and leaving Perugia he took up his quarters in Rome,

> We can recommend our readers to use Dr. Bull's Cough Syrup in all

neral of His Victim.

A young man was murdered while walking from Knightstown to Carthage, Indiana, the deed being done with an axe. Harry Foxwell, a saloon keeper, and a general desperado, whom the old Pope restored the honor of Knightstown, was arrested for the deed. He employed counsel, and boldly declared his ability to prove an tered by a currency which the few shield or a nation's arms. That was the King of the Bulgarians, who so-true when the spirit of Virginia ruled Virginia. How is it now?

In petto in spite of the good onices of the King of the Bulgarians, who so-licit d the new Pope, Pius IX., to fullified the new Pope, Piu fill the benevolent intentions of his passed the spot where the murder as commit ed, and compelled Foxwell to | bess. look at the blood and brains still lying on the ground. He turned deathly pale, trembled and became sick at the tomach. Arriving at Carthage, the funeral of the murdered man was in progress, and the people were taking a ook at the corpse. The officers took the hat, but for many years he was Foxwell into the church and up to the coffin. When he looked at the mutilated head of the vic im he almost swooned away. A sister of the murdered man uttered a piercing shriek and fell fainting. A score of other women screamed, and the excitement became intense. Several men rushed at the prisoner, velling "Hang him! Shoot him !" and a number of pistols

were leveled. The minister besought, begged and commanded, and with his assistance and that of a few citizens, the prisoner was rescued, placed in a hack and driven to Rushville. His trial will come up to-day.

Death Rate in Various Occupa

Nobody doubts that the occupation f an individual has much to do with his general health, and with his chances of death. Statistics prove that the death rate is lowest among scientists and professional men-not physicians; then follow Protestant clergymen, engineers, farmers and Republican Appeal for Execu- laborers; next carpenters machinists, and workers in iron ; then come schoolmasters, tobacconists, p h ysicians, and finally the clergy of the Roman Catholic church, among whom the mortality is much greater than among the Protestant clergy and the other professions named. Next we have druggists and butchers, then inn keepers, among whom the mor-Judge Whitaker decided to take ju- talify is greatest, and much more than double that of the lirst mentioned oc-

The deduction which may be drawn Carroll parish. Lanier was arraigned from these facts are very instructive and practically useful. They prove that the quiet pursuits of science tend to prolong life as well as out-door labor, provided it is not on railways or among shipping or horses; that to work in fron is more wholesome than to work in lead or copper as might be expected, while the confined labor of a schoolmaster is as injurious as the state of celeba y of the Roman Catholie priest; lastly, the inn-keepers. being most exposed to the temptation of intemperance, have the last chance established in its stead. The sheriff, which they are now acting, and exthe constable, executions and forced plains their willingness to see the whom they habitually keep company. -Manufacturer and Builder.

Is the most genial balsam ever used by sufferors from pulmonary diseases.

It is composed of herbal products, which have a specific effect on the throat and lungs; detaches from the air cells all irritative matter; causes it to be expectorated, and atonce checks the inflammation which produces the cough. A single dose relieves the most distressing paroxysm, goothes nervousness, and enables the sufferer to enjoy quiet rest at night. Being a pleasant cordial, it tones the weak stomach, and is specially recommended for children.
